Women's Retreat

OCTOBER 18-20

Guest Speaker

JUDI MERRIAM

Judi is a first-time author with her memoir, "Empty Shoes by the Door," which was a number one new release on Amazon when it launched in 2022.

Judi Merriam makes her home in both her beloved Adirondacks and the historic Mohawk Valley. She loves her roles as wife, mother, singer, actor, director, speaker, and writer. Judi enjoys spending her free time hiking, reading, sewing, among other interests. She is presently working through courses to become a Certified Mental Health Coach First Responder through Light University. Judi loves spending time with her husband, Brian, and her two living children, Tyler and Kalina.

She is continually grateful for the sustaining grace of God in her life as she walks through the messiness of living in this very broken world. It is Judi's heart's desire to shine a light of hope into the lives of those who struggle and grieve, especially those who've lost a child to death.
